Specialty Items — Pricing Guide

Not sure what you have? Read the description under each item — we want to make sure your item is priced correctly.

Comforters

Larger and thicker than a blanket, typically filled with down, down-alternative, or synthetic fibers. Has a solid exterior and does NOT have buttons or ties. If your comforter has a removable cover with buttons or a zipper, that outer shell is a Duvet Cover — see Duvets below.

Size	Price
King (102" × 86")	\$35
Queen (86" × 96")	\$32
Full (81" × 86")	\$29
Twin (66" × 86")	\$26

Duvets

Similar in thickness to a comforter but designed to be used with a separate removable cover. The inner fill piece (with corner ties or loops) is the Duvet Insert. The outer shell with buttons, snaps, or a zipper is the Duvet Cover. Please bring both pieces if you would like them washed together.

Size	Price
King (104" × 90")	\$33
Queen (90" × 90")	\$30
Full (78" × 86")	\$27
Twin (68" × 86")	\$24

Quilts

Thinner than a comforter, made of three layers — a decorative fabric top, batting in the middle, and a backing — stitched together in a pattern. Lighter and less puffy than comforters, often used as decorative bedspreads or throws.

Size	Price
King (102" × 94")	\$31
Queen (86" × 94")	\$28
Full (78" × 86")	\$25
Twin (68" × 86")	\$22

Bedspreads

Lightweight, flat decorative covers designed to drape all the way to the floor. Thinner than comforters with no filling — primarily decorative.

Size	Price
King (114" × 120")	\$29
Queen (102" × 116")	\$26
Full (96" × 110")	\$23
Twin (80" × 110")	\$20

Mattress Covers / Mattress Pads

A protective layer that sits directly on top of your mattress, under the fitted sheet. Identifiable by a fitted skirt or elastic corners. Thick memory foam or fiberfill mattress toppers may require special handling — please ask staff before drop-off.

Size	Price
King (76" × 80")	\$28
Queen (60" × 80")	\$25
Full (54" × 75")	\$22
Twin (39" × 75")	\$19
